

A warm welcome to Term 3

We would like to welcome our pupils, students, Staff members and everyone within our BSL Community to the final term of the 2022/23 academic year. The previous term was full of enriching events and activities and we look forward to this new term with a fresh burst of energy.

Opening Assembly

The term started off with a secondary Assembly where Mr. Fairlie, the Head of Secondary, took the students through the PSHE topic for the day and also handed out certificates for merits and achievements gained in the course of the previous term.

Our Head of School, Mrs. Minnigin, reminded students of expectations as well as key and important information regarding the term ahead.

Endeavour Is All

A VISIT TO RODIS BY Y10

In the last week of last term, our Year 10 students visited the RODIS factory in Lomé where they had a comprehensive tour of the premises, with a particular focus on the plastics department.

Our special thanks to the management of RODIS, and to our science department for putting this educational visit together.

BSL'S GOT TALENT

One of the main events our students are beginning to look forward to on the last day of school post covid-19, is the BSL's Got Talent show.

The past term was no different as pupils and students danced, mimed to music, and shared their talent with us all.

A special feature this term was having the visually impaired students from Maison d'Accueil Santa Maria. They played and sang to us and were hosted afterwards by our Head of School and some Y11 & Y12 students.

THE BSL COMMUNITY ART FAIR

In the final few days leading to our spring break, BSL held its Community Art Fair with displays of art work from BSL staff, pupils, students and a few renowned artists.

The fair, which ran for 2 consecutive days, turned out to be a great success and was a display of great talent.

The fair was indeed a breath of fresh air. We look forward to similar events in the near future!
