Endeavour Is All

A WORD FROM OUR HEAD OF SCHOOL, MRS MINNIGIN

It has been a wonderful term with several exciting highlights in our calendar. These have strengthened the BSL Community spirit and provided opportunities for our young people to be creative and develop new skills. The first Primary Christmas production for several years was a joyous occasion for all. This was followed by an extremely successful Business Enterprise Week in the Secondary school. Although the focus for Years 11 and 13 will be on their examinations, we are looking forward to a 3-day community Art event in February, and to participating in the World Scholars Cup later in Term 2.

I would like to take this opportunity to thank Parents for all their support since the beginning of the year and to wish you all a happy, healthy and safe winter break.

We look forward to welcoming everyone back on Monday the 9th of January 2023.
